TEACHER OF MATHEMATICS (FULL-TIME)

MPS (Outer London) (NQT welcome or TLR2a (£2535) for suitably experienced teacher)
There would also be the possibility of a TLR2b (£4225) allowance for a suitably qualified teacher to join the whole school team and take on the additional role of monitoring and assessing the progress of a Year Group.

The School wishes to appoint a teacher of Mathematics to this new school who will take up post from the start of the Autumn term 2010 or Spring term 2011

The school has specialist school status in Mathematics & Computing and this is an outstanding and unusual opportunity for an ambitious, innovative and enthusiastic individual to make their mark by contributing to the development of this new school. Where appropriate, the successful candidate is likely to have a track record of success; a proven commitment to the highest standards of teaching and learning; and the ability to think strategically and creatively. Ruislip High School occupies newly opened buildings on a green field site in this pleasant London suburb and is served by good primaries. The school welcomed its first Year 7 students in September 2006 and it is anticipated it will be full with 900 students including a Sixth Form of 150+ by 2013.

School had an Ofsted inspection in November 2007 and was judged to be "...an outstanding school.....and has outstanding capacity to improve further as it expands."

Are you prepared to join with the Headteacher and his staff in an exacting role in this new school and assist in contributing to its development?

Have you:

- The experience and subject skills to help continue the development of this new Department of Mathematics as it looks towards beginning its first Key Stage 5 curriculum?
- The skills to enthuse students and staff to co-operate in an educational venture that will promote high standards of teaching and learning?
- The wider community vision that will promote the school to parents and primary schools and foster beneficial partnerships?
- The ability to stimulate others and inspire others to succeed?

In return we offer:

The opportunity to help shape and influence this new school.

If you believe that you can meet our needs and would relish the real demands and rewards of playing a major part in establishing the new Ruislip High School we would like to hear from you. **An application form can be downloaded from www.ruisliphigh.com where further information about this post and the school can be obtained. Applications should be returned to John Goulborn, Headteacher, Ruislip High School, Sidmouth Drive, Ruislip, Middlesex, HA4 0BY.**

London Borough of Hillingdon is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

CLOSING DATE – 25 June 2010 (NOON)

Interviews are scheduled to commence the week beginning 28 June 2010
