Drug Dealer arrested

A known drug dealer was stopped and spoken to by the Ruislip Manor Team. Suspecting drugs on him the male was searched and was found in possession of Class A drugs. The male was arrested and taken to Uxbridge police station and remanded.

A Male was arrested for possession of Class A drugs, speeding, driving unsupervised on a provisional licence and was also wanted by Thames Valley Police for a serious assault.

The Team stopped a young male who was driving around erratically, the male smelt of alcohol and was therefore breathalysed. The male blew over the legal amount and was arrested for drink drive. He also did not have a licence or insurance.

The Team have continued use of Laser Speed Gun with education and prosecution of offending drivers who do not adhere to the speed limit. Drivers beware.

Sidmouth Drive is a road continually used by oversized vehicles, the team are prosecuting large goods vehicle drivers and warning letters are sent to the company Transport HQ.

The Teams Police Officers have been policing the ward in plain clothes (no uniform) and in a unmarked police car. This proactive style has turned up trumps with numerous stops and searches on known drug users and thieves. Many residents have seen them out and about conducting stops.

The team have been gathering evidence against known youths within the ward and the local vicinity who have been conducting ASB around the ward. The information being gathered will contribute to an Anti social Behaviour Contract (ABC) and can lead to an ASBO.
