

8th December 2023

Dear Parents/Guardians

I am writing to share with you a really exciting opportunity being provided to Year 9 which will take place on Tuesday 9th January (the students' first day back for the spring term). A construction training college, Build, with whom we have very close links, are delivering a roadshow of construction classes to all Year 9 students. These classes will last 45 minutes and it will give students an introduction to the world of construction and taster lessons for topics such as plumbing, electrics, woodwork, tiling and many more.

Please [click here](#) to see the timetable for the day.

We are glad to have such a close link with this construction college and we are delighted to be able to give Year 9 this opportunity to open their eyes to the construction industry.

The timetable for the day will be shared with students in advance and tutors will go through this with the student on the morning of the programme.

If you have any questions in the meantime, please do not hesitate to contact me via the school office:
office@ruisliphigh.org.uk

Yours sincerely

Mr A Askin
Assistant Headteacher
