

9th October 2026

Dear Parents/Guardians

Re: Date Change for Year 11 'Preparing for Success' Evening

I am writing to inform you of a date change for our upcoming Year 11 'Preparing for Success' evening. The event will now take place on Thursday 22nd October 2026, rather than Tuesday 20th October.

This decision follows feedback from parents and guardians who wished to attend both our event and the Vyners Sixth Form Open Evening, which was scheduled for the same night. Although reminders have recently been sent via Arbor and telephone calls have been made by tutors to Year 11 families, we believe this rescheduling will allow more parents, guardians and students to attend both events without conflict.

The timings for the evening remain unchanged: please arrive via the main reception at 5:45pm to sign in, ready for the presentation to begin at 6:00pm.

The evening will cover key information to support your child in the lead-up to their December PPEs and final summer examinations. Topics will include effective revision strategies, looking after wellbeing, healthy habits and options for next year. Working together as a school and home community will help ensure examinations are seen as an opportunity for students to achieve their best possible results.

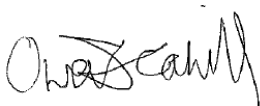

We will have a number of staff speaking about different areas. Topics include:

- Setting the scene for success
- The timeline between now and May 2027
- Top performance in examinations
- What effective revision looks like
- How to look after your wellbeing
- Post-16 next steps for September 2027
- Careers guidance

Please confirm your attendance by filling in this [Google Form](#) by Friday 16th October 2026.

Thank you for your understanding and continued support.

Yours sincerely

Mr Cahill
Head of Year 11
