PRESS RELEASE 2025

Ruislip High School is proud to celebrate the outstanding achievements of our Year 11 students in this year's GCSE examinations. The results are testament to the dedication, resilience and ambition of our students and we are all immensely proud of the class of 2025.

This year's GCSE outcomes reflect the hard work of both students and staff, as well as the school's commitment to academic excellence.

- 82% of students achieved grades 9–4 in English and Mathematics
- 30% of all grades awarded were 9–7

The school is incredibly proud of all its students, and we are thrilled to highlight the achievements of a few individuals who have gone above and beyond in their studies.

“I am feeling really good! To be honest, I did doubt myself a lot over the exam period, but now I can see that my hard work has paid off and I need to believe in myself more. I am really pleased! Next year I am studying A level biology, chemistry, maths and music and I cannot wait to start. Thank you to all of my teachers for their support and helping me to be successful.”

- Dorian, seven grade 9s & two grade 8s

“I feel happy and honestly relieved! I knew I put lots of effort into my revision and it really shows that Mr Davies is right - hard work equals success. I am really excited to study at RHS Sixth Form next year, doing maths, economics and biology. ”

- Kishan, nine grade 8s

“This is surreal. I am really proud of myself for all the effort I put into revising. I am also proud of all of my friends, who have also done so well. I really appreciate all of the help and encouragement my teachers have given me. The community spirit in our school is second to none.”

- Kian, three grade 9s, two grade 8s & four grade 7

“I am over the moon and so proud of myself. I would like to thank all of my teachers who never gave up on me. I can't wait to start A levels next year and am really looking forward to studying English Literature, politics and geography.”

- Gabriella, three grade 9s, three grade 8s & three grade 7s

Mr Davies, Headteacher of Ruislip High School, expressed his pride in the achievements of the Class of 2025: *'We are immensely proud of our Year 11 students. Their achievements today are a testament to their hard work, the dedication of our staff, and the supportive partnership between school and home. These results reflect not just academic excellence, but the strength of character our students have shown throughout their secondary school journey.'*

With these fantastic results, many students will continue their education in the Ruislip High School Sixth Form, while others pursue apprenticeships or college courses. Whatever path they choose, we know they will go on to achieve great things.

Congratulations once again to the Class of 2025 – your future is bright, and we can't wait to see where it leads you.
