PRESS RELEASE 2026

Ruislip High School celebrates GCSE and BTEC results

Students at Ruislip High School are celebrating today after receiving their GCSE and BTEC results.

The school is delighted to congratulate the Year 11 cohort on their achievements, with students celebrating a range of excellent individual results and looking forward to the next stage of their education.

Among those celebrating was Megan, who achieved four grade 9s and five grade 8s.

“ I’m so happy and relieved and over the moon with my results. I worked hard over the last couple of years and there were definitely times when it was stressful, so it feels amazing to see all that work pay off. I’m really looking forward to starting sixth form at Ruislip High and moving on to the next chapter.”

Ollie was also delighted with his results, one grade 9, three grade 8s and two grade sevens.

“I wasn’t quite sure what to expect when I opened my results, but I’m really pleased. I’m especially proud of my result in mathematics, because it was something I found challenging at first. I’d like to thank my teachers, friends and family for supporting me throughout Year 11.”

For Iza, today marks the beginning of an exciting next step, having achieved seven grade 9s and two grade 8s.

“It feels a bit strange knowing that Year 11 has finished, but I’m excited about what comes next. I’ve learned a lot during my time at Ruislip High School and made some great memories. I’m looking forward to studying mathematics and art at A-level.”

The school would like to congratulate all of its Year 11 students on their results and thank them for their hard work, resilience and commitment throughout their secondary education.

Headteacher Mr G Davies said:

“We are incredibly proud of our Year 11 students and the achievements they have secured today. These results reflect not only their hard work and determination, but also the support of our dedicated staff and the encouragement of parents and carers. We wish every student the very best as they take their next steps, and we look forward to hearing about their future successes.”

The school wishes all students every success as they move on to sixth form at Ruislip High School or continue their educational journey at college or other further education elsewhere.
