

**Key Stage 4 results****2019**

Progress 8 score	+0.09
Percentage of students entered for the English Baccalaureate (Ebacc)	26%
Student destinations - percentage of students staying in education or employment after key stage 4	96%
Attainment in English and maths - percentage of students achieving a grade 5 or above in GCSE English and maths	49%
Attainment 8 score	48.8

**Key Stage 5 (16 to 18) results****2019**

Progress (A level subjects)	0.0
Attainment (average point score/grade)	32.04 / C+
English progress	SUPP <sup>1</sup>
Mathematics progress	0.5
Retention	93.9%
Destinations - students progressing to education or employment	92%

Scores for English and maths progress show how much progress students made in GCSE re-takes in these subjects between the end of key stage 4 and the end of key stage 5. A positive score means that, on average, students got higher grades at key stage 5 than key stage 4. Students are only included in these measures if they did not achieve a grade 4 or higher in their GCSE by the end of key stage 4 in that subject.
