PRESS RELEASE 2025

Ruislip, 14 August 2025 - Ruislip High School is celebrating another year of exceptional A level results, with students once again achieving highly and securing places at top universities, on competitive apprenticeships, and in exciting employment opportunities.

Despite the academic pressures faced by students nationally, this year's A level results showcase the hard work and commitment of both students and staff and the Class of 2025 at Ruislip High has demonstrated incredible resilience, ambition, and determination.

Mr Peacock, Head of Sixth Form, praised the students' efforts and the supportive ethos of the sixth form community: "It has been an absolute pleasure to support this exceptional cohort through their A level journey. Their success today reflects not only their academic achievements, but also their growth as independent, resilient young adults. I am so proud of everything they have accomplished."

We are delighted to share the thoughts of some of our high-achieving students on results day:

"I was stressed before I came into school,, but I am so grateful for all the support and looking forward to the future." - Ethan, A*A*A*

"I got an A in Maths which I'm very proud of. I'm going to Bath University to study theoretical physics. All my teachers were a constant inspiration, and I'd like to thank Mr Hankin and Ms Jani in Maths. Mr Collins helped me especially to get me an A in chemistry so I'd like to thank him."* - Aidan, A*AA

"I'm going to Warwick to study History so I'm really pleased with my A Grade. I would like to thank all of my teachers. Mr Sills' doubles lessons were the highlight of my week. I would recommend people taking A levels to choose subjects they enjoy, work at it and the grades will come." - Hayley, A*AC

"I'm really happy with my results because I worked really hard for them. It's so good to see so many happy faces. I'm going to Southampton University to study mechanical/ aerospace engineering. I would like to thank Mr Gould, Mr Collins and Mr Hankin. I really enjoyed their classes and they made their teaching fun and very grateful to have them as teachers." - George, AAA

Mr Davies, Headteacher of Ruislip High School, commended both students and staff for their continued dedication: *“We are incredibly proud of the Class of 2025. These results are a true reflection of the students’ hard work and commitment, and of the support they’ve received from staff, families, and the wider school community. We look forward to seeing the many exciting things they will go on to achieve.”*

Many of our students are now preparing to begin the next chapter of their lives – whether that is university, an apprenticeship, employment, or a gap year. Whatever their chosen path, the Class of 2025 leaves Ruislip High School with confidence, character, and ambition.

We wish all of our students the very best for the future and congratulate them on their remarkable achievements.
