Dear Parents/Guardians

Re: Languages Week breakfast

On the week commencing 4th March Ruislip High School will be celebrating its annual Languages Week to coincide with International Mother Tongue Day. There will be language themed activities in lessons all week for students across all Key Stages, a MFL Speaker for Year 9s, a Spanish and French play plus film events run after school open to all year groups.

In addition to this, there will be a joint French and Spanish breakfast and activities hosted by the Year 10 Language Ambassadors taking place in the new hall on Tuesday 5th March at 8.25am-10.05am.

The Languages breakfast is only open to Year 9 students but in particular to students who are interested in taking a language for GCSE. As well as sampling a range of breakfast food and drink, students will be able to speak to the MFL Ambassadors who all study at least one language at Ruislip High school for GCSE and also take part in a fantastic quiz created for them with some great prizes too.

Please complete the [link](#) here to indicate whether your son/daughter will be attending the Languages Week breakfast.

Your sincerely

Ms T Matias
Curriculum Leader of MFL and Community Languages Coordinator
