

14th October 2026

Dear Parents and Guardians

Re: Year 8 Djembe workshop

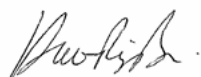

I am delighted to share that your child will be participating in an engaging Djembe Workshop during their Year 8 Music curriculum. Every tutor group in Year 8 will join a dedicated workshop session. These interactive events are scheduled across two dates. Please see the timetable below:

Day	Period	Form
Monday 19th October 2026	Period 1	8B
Monday 19th October 2026	Period 2	8A
Wednesday 21st October 2026	Period 1	8S
Wednesday 21st October 2026	Period 2	8D
Wednesday 21st October 2026	Period 3	8C
Wednesday 21st October 2026	Period 4	8F
Wednesday 21st October 2026	Period 5	8W

This hands-on experience allows pupils to explore the Djembe, a traditional drum from West Africa. The session offers a wonderful opportunity to build rhythmic understanding, performance capabilities, self-assurance, and ensemble collaboration skills.

No extra equipment is required, and students should arrive at school wearing school uniform. We trust that the students will thoroughly enjoy exploring this rich musical tradition. Should you require further information, please feel free to reach out to the school.

Yours sincerely

Mr Bai
Head of Music
