

Subject: Maths

Year 7	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
What students are learning	Number	Number, ratio and proportion	Number and algebra	Algebra and graphs	Algebra	Geometry and measures
Key Content and Skills	<ul style="list-style-type: none"> • Baseline assessment (KS2 knowledge) • Basic number • Directed numbers • Decimals • Factors & Multiples • Set theory 	<ul style="list-style-type: none"> • Rounding & Estimation • Bounds • Fractions • Indices & Standard form • Ratio • Proportion 	<ul style="list-style-type: none"> • Percentages, growth & decay • Basic algebra • Quadratic algebra • Algebraic proof • Algebraic fractions 	<ul style="list-style-type: none"> • Formulae • Simultaneous equations • Linear graphs • Quadratic graphs • Real life graphs • Distance-time graphs 	<ul style="list-style-type: none"> • Sequences • Functions and function machines • Inequalities • Linear programming 	<ul style="list-style-type: none"> • Area & perimeter • Circles, arcs and sectors • Angles • Angles in polygons
	<p>Parents/Guardians can support their child's learning using the following websites: Mathswatch - login details provided to the student Corbett Maths The websites above have video tutorials, worksheets and exam-style questions.</p>					

	<p>All homework is set as revision tasks. This is set weekly on Google Classroom, please see this for specific details. Homework is self-marked and visually checked by the class teacher for quality of presentation and working out.</p> <p>Students are formally assessed five times a year. This is announced in class by the teacher and a topic list will be provided on Google Classroom approximately 3 weeks in advance.</p> <p>Assessments are marked within five working days and common misconceptions and errors are re-taught to all students before receiving their assessments back. Assessments are specific to a class.</p>					
Assessment	Approximate assessment date: Wb 4th September 2023	Approximate assessment date: Wb 16th October 2023	Approximate assessment date: Wb 18th December 2023	Approximate assessment date: Wb 5th February 2024	Approximate assessment date: Wb 25th March 2024	Approximate assessment date: Wb 20th May 2024
	<p><i>Assessment dates are subject to change and will be communicated to students on GoogleClassroom.</i></p> <p><i>Topic lists will be provided on Google Classroom approximately 3 weeks before the assessment.</i></p>					
How can students prepare beyond the classroom?	<p>Students should:</p> <ul style="list-style-type: none"> • Ensure they have a scientific calculator and know how to use it properly • Revise their timetables and their reverse for division • Revise KS2 knowledge of fractions • Revise arithmetic with decimals 		<p>Students should:</p> <ul style="list-style-type: none"> • Bring all correct equipment to lesson, especially a calculator • Use Mathswatch to revise any topics from last term and to complete all homework 		<p>Students should:</p> <ul style="list-style-type: none"> • Use the websites below to help remind themselves of the topics listed • www.vle.mathswatch.com • BBC Bitesize KS3 	

Year 8	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
What	Geometry and measures	Geometry and statistics	Statistics and probability	Number	Number, ratio and proportion	Algebra

students are learning						
Key Content and Skills	<ul style="list-style-type: none"> Pythagoras and trigonometry Scale, bearings, constructions and loci 3D shapes, surfaces areas and volumes Compound measures 	<ul style="list-style-type: none"> Similarity & congruence Vectors Transformations Averages 	<ul style="list-style-type: none"> Representing data Probability 	<ul style="list-style-type: none"> Basic number Directed numbers Decimals Factors & Multiples Set theory Rounding & Estimation Bounds Fractions 	<ul style="list-style-type: none"> Indices, Surds & Standard form Ratio Proportion Percentages, growth & decay 	<ul style="list-style-type: none"> Basic algebra Quadratic algebra Algebraic proof Algebraic fractions Formulae
	<p>Parents/Guardians can support their child's learning using the following website: Mathswatch - login details provided to the student Corbett Maths The websites above have video tutorials, worksheets and exam style questions.</p> <p>All homework is set as revision tasks.
