

Welcome to Ruislip High School

*From grass roots,
to reaching for the
sky*

The school's logo reflects the journey that the students experience through their secondary school years; the building itself mirrors the place in between the 'green grass' and the 'blue sky' where dreams can become reality.'

Year 7

Worries Vs Realities

Teachers being scary	<i>'The teachers have been really nice and supportive.'</i> Maya
Getting lost/one way system	<i>'There is plenty of time to move around and we have learnt our way around quickly.'</i> Luke
Lessons would be too difficult	<i>'Some lessons are challenging but the teachers really help.'</i> Lucy
Being late to school	<i>'I leave my house early enough to walk here in time. I have made a routine.'</i> Bradley
Not having a smartphone	<i>'I check bus times when I leave my house rather than on a phone. I can still speak to friends or family on my non-smartphone. I thought I would miss it, but I don't!'</i> Shelan

A message from the secretary of state

A message from Bridget Phillipson

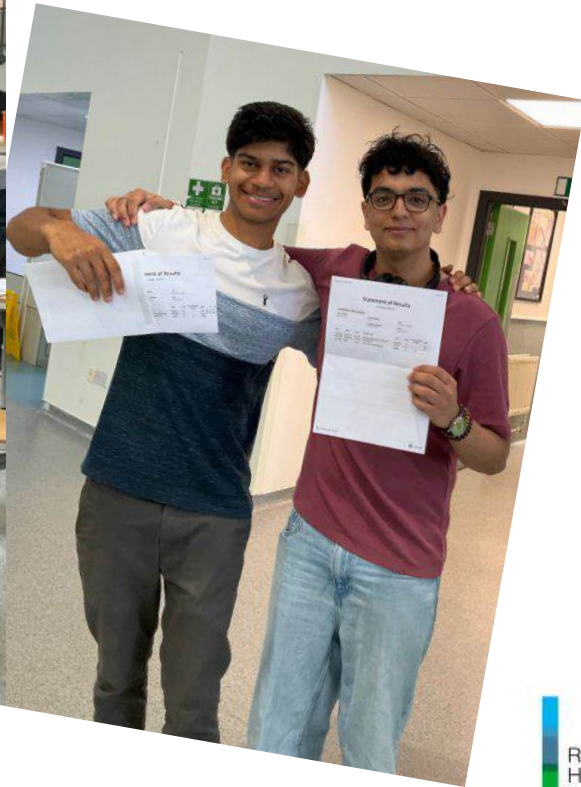

Dear Colleague,

Congratulations to you and your team on the excellent **outcomes** the disadvantaged pupils at your school achieved at the end of the 2024/25 academic year. Your school's performance places it among the very best nationally, and this is a significant achievement.

This success reflects the dedication of your staff and the hard work of your pupils. It shows what can be achieved when ambition and commitment come together. Thank you for everything you do to give children the best possible opportunities to succeed.

Your school's achievements demonstrate what is possible, and I hope you will continue to share your experience and best practice with others. Even the strongest schools can go further. We encourage you to lead the way as a system leader - sharing effective practice, championing networks, supporting collaboration, and helping raise standards across the sector.

Why the hard work is worth it!

Why Ruislip High School?

A Great and Safe Place to be

Student leadership

'What makes our school great is the sense of community, teachers who genuinely know and believe in you and opportunities that let you grow into someone you did not know you could be.'

Eve, Year 13

'Ruislip High is incredible at giving students countless opportunities and huge amounts of support. The teachers here really go above and beyond to help students here and the clubs and events really help to build such a tangible sense of community.'

Dorian, Year 13

'Ruislip High has a great focus on learning and has vast aspirations for students to achieve the best. Their support for the students led to me being able to succeed in my GCSEs and take on the role of Deputy Head Student in the Sixth Form.'
