The Guest Speaker Programme

What is the guest speaker programme?

Since 2016 the Sixth Form has organised a guest speaker programme every fortnight as part of the Year 12 timetable. This runs along the theme of the "3Cs", **with each visitor speaking about careers, culture or current affairs**. Our guests talk for about 20-25 minutes, followed by about 5 minutes of Q&A. Some speakers visit in person whereas others join us live on Zoom.

Examples of guest speakers:

- Stephen Hart from Positive Voices (Terrence Higgins Trust HIV and sexual health charity)
- Shaan Knan from GIRES (Gender Identity Research and Education Society).
- Archita Patel from Conscious Planet.
- Sue Alexander from WaterAid.
- Stephen Welton, CEO of Business Growth Fund (BGF).
- Daya Mangat, Kooth mental health website.
- Eric Salama, Chair of Comic Relief.
- Nick Ross, former Crimewatch presenter.

Communication:

At sixth form, open conversations with your teachers, tutors and peers is essential to success. Whether those conversations be about school life or pastoral concerns, it is important students talk honestly, openly and respectfully with staff!

Google Classroom: Most of the communication you have regarding your schedule will be via google classroom- specifically your learning mentors Ms Kwan and Ms Bonny. They will inform you of opportunities, study referrals and timetable changes.

Remember that across all your relationships, you should always:

- Speak in a polite tone
- Say 'good morning' or 'good afternoon' when you pass people in the corridor
- Always say please and thank you!

But also remember that staff members are not...

You have been given a study referral that you are certain was a mistake. What do you do?

Your manager at work tells you that you are constantly late when you have been arriving on time. What do you do?

- Even if you disagree with something: **remain calm and polite**
- Ask for help from the Sixth Form Team (Tutors, Learning Mentors, Mr Elsby, Mr Peacock, Ms Horton)
- **Do not argue back**, this will always result in higher level sanctions

Success at RHS Sixth Form

At sixth form, you will have lots of things you may need to juggle at one time, hence the skill of **organisation** is key.

Google classroom will always inform you of upcoming work assignments and their due date. It is vital you check google classroom every day so to avoid missing any notification.

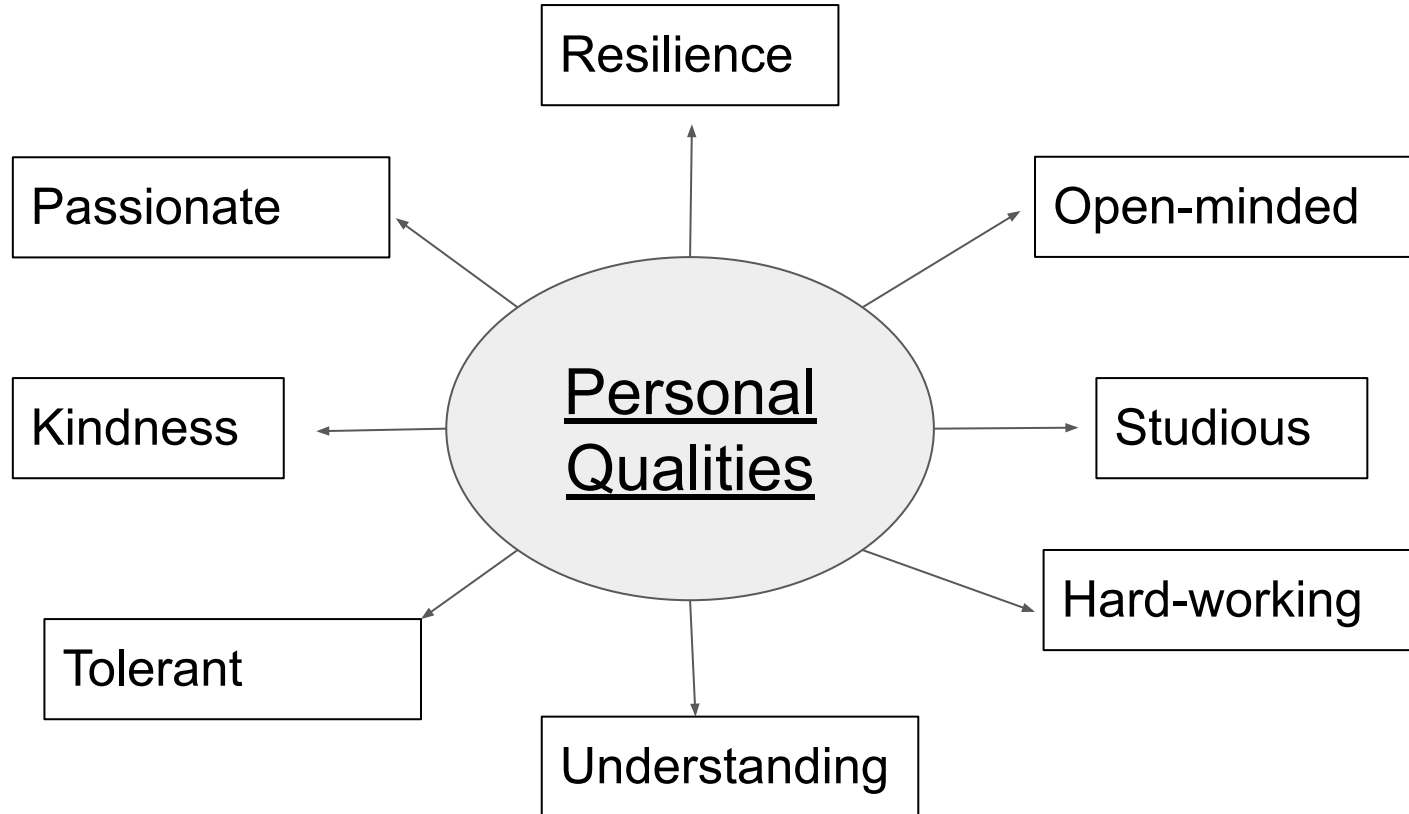

Subject organisation:

Ask your subject teacher what they expect from you. Do they want you to have a folder with topic dividers? Do they want you to have a designated book that you make the notes in? Your teacher will always be there to help you to get organised.

The earlier you get organised in sixth form, the easier it will be to juggle your tasks and avoid things like study referrals for missed work etc.
