The RHS Sixth Form Dress Code

- Hair must not be dyed an unnatural colour, including but not limited to shades of blue, green, pink, red, purple, orange, etc.
- Facial piercings are allowed but must be discreet. It is strongly advised that before getting any new facial piercings, students check with their Head of Year about whether these are appropriate.
- For practical lessons in Drama or Sport, students will change before the lesson into their Drama or Sport kit. For the Drama kit, students must bring in black trousers that they will be able to move around comfortably in, a black T-shirt or black long-sleeved top, and comfortable shoes that allow for movement. For Sport, students must bring in suitable sportswear. Students will then change back after the lesson is finished. If students have Drama or Sport as their first lesson, they must still arrive at school wearing the dress code, and change into their kit at school.
- For Art lessons, students will be provided with an apron to protect their formal clothing. They should also bring a large, old shirt that can be put over their formal clothing to protect.
- Should students not adhere to the dress code, they will receive a yellow card or be removed from circulation to address the issue.
