Dear Parents/Guardians

As we approach the start of the new academic year, we look forward to welcoming our students back to Ruislip High School. Our school has established a strong reputation for high standards and student pride in appearance, a standard made possible through the continued partnership between school and home.

To help families prepare for a positive return, we ask parents and guardians to review our uniform expectations before the term begins:

Main school uniform guidelines: Please click [here](#) to read the latest uniform update. I would like to draw particular attention to the section on makeup; please note that tinted/false eyelashes and tinted eyebrows are not permitted under our policy.

Sixth Form standards: Please click [here](#) to view the Sixth Form dress code.

Thank you for your ongoing support in upholding these standards and helping us maintain a focused, positive environment for all our students.

Yours sincerely

Ms Marie Coltman
Deputy Headteacher
