

18th January 2024

Dear Parents/Guardians

As parents/guardians will be aware, Ruislip High School was inspected by Ofsted on 5th and 6th December 2023. I am delighted to share with you the full Ofsted report which we received today which states that Ruislip High School has been rated as Outstanding across all five areas (quality of education; behaviour and attitudes; personal development; leadership and management; and sixth form provision) and Outstanding overall. Please click [here](#) for the full report.

This is the first Ofsted inspection at Ruislip High School since 2011 and I am sure parents and guardians are aware that the framework schools are judged against has changed significantly since then and that, nationally, a minority of schools that were previously judged Outstanding have maintained this rating. There has been a lot of media attention surrounding Ofsted, particularly over recent weeks, and whilst I am immensely proud of the inspection report, for me the main purpose it serves is to provide external validation of what we already know about our school.

I would like to thank the entire school community for the way in which they engaged with this inspection. I always say that our students are our best asset and they were a credit to themselves and to us all throughout the inspection process. I would also like to thank parents and guardians, particularly those who completed the Ofsted Parentview survey, and the staff who work exceptionally hard every day.

Thank you for your ongoing support and we look forward to continuing to provide the outstanding, inclusive education that ensures our students 'thrive'.

Yours sincerely

Gareth Davies
Headteacher
