

4th March 2025

Dear Parents/Guardians

I am delighted that your child will be joining Ruislip High School and would like to take this opportunity to extend a very warm welcome to you and your child.

We appreciate that transfer to secondary school can be a daunting process and this is why we will do all we can to ensure a successful transition. On Tuesday 1st July 2025 your child will spend a full day at Ruislip High School; this will be followed by a meeting for parents in the evening. Further information about these events will be sent to you in due course.

Three of the tutor groups in Year 7 will study French whilst the other four will study Spanish. Should you have a strong reason for wanting your child to study one of these languages, please notify Ms Coltman, Deputy Headteacher, using the email admissions@ruisliphigh.org.uk by **Monday 28th April 2025 at the latest**. We will be unable to consider any language or grouping requests received after this date. Whilst we will do our best to accommodate such requests, please be aware that it is likely to affect groupings of students recommended by primary schools.

Over the period of your child's education at Ruislip High School, we ask for your support and help in ensuring the success of our new working relationship. We very much regard you as a vital part in this partnership; through sharing the responsibility for your child's achievements, in whatever form they take, we can work together to achieve their potential. We are very proud of our students' successes, and believe this is very much a result of the partnership between parents, students and staff. We would also encourage you to look at the latest newsletter on our website – www.ruisliphigh.com - in order for you to find out more about the recent experiences of students at Ruislip High School.

As parents/guardians you are automatically members of Friends of Ruislip High School (our P.T.A.) and we would strongly encourage you to become involved in the life of the school from the outset; we look forward to establishing a positive and committed partnership.

You will shortly receive details of how to upload you and your child's details to our Management Information System (MIS). Please ensure this is completed by Monday 28th April 2025.

The highest standards will be expected from students in all aspects of school life and we look forward to working with you in our endeavours to provide a stimulating, challenging and well-rounded education for your child.

Yours sincerely

Mr Gareth Davies
Headteacher
