

5th June 2026

Dear Parents/Guardians

As our Year 11 students enter the final stage of their GCSE examinations, I would like to take this opportunity to acknowledge the maturity, focus, and resilience they have shown throughout the exam period. It has been a pleasure to see how well they have conducted themselves, and we are incredibly proud of the positive attitude they continue to demonstrate.

We understand that this final stretch can feel demanding, and we remain committed to offering support, encouragement, and reassurance as students complete their remaining exams. These last few days are important, and we are confident that Year 11 will finish strongly.

Uniform & Revision Guide Donations

As part of our ongoing commitment to supporting families within our school community, we are inviting Year 11 students to donate any good-quality uniform items they no longer need. These donations make a significant difference to other students at Ruislip High School.

We are also collecting revision guides that may be useful for the upcoming Year 10 cohort. If your child has any guides they no longer require, we would be grateful if they could bring them into school to their subject teacher.

On Exam Results Day, there will be a clearly marked donation box available for both uniform and revision materials. Your generosity is greatly appreciated and directly supports our students.

Locker Clearance

A reminder that all student lockers must be emptied by the time your child completes their final exam. The school is unable to store any belongings. Any items remaining in lockers after the last exam will be disposed of.

Thank you for your continued support during this important period.

Yours sincerely

Mr Joseph
Head of Year 11
