Dear Parents/Guardians

Re: Year 11 PPE Examinations

Year 11 students are currently preparing for their pre-public examinations (PPEs). The written exams will begin on November 30th, 2026. For students studying art, practical PPEs will take place over two full days on the 5th and 6th of November.

Following the written exams, students studying Spanish or French will complete an oral PPE, with the specific times shared via Google Classroom. These examinations are crucial, as they provide valuable practice for the routines of the summer public exams and help identify areas that may need further revision in the months ahead.

Below is the timetable for the PPEs which has been shared with students through Google Classroom. Students' will also receive individual timetables.

I would also like to remind parents of the revision resources guide created by curriculum leaders: please click [here](#).

As an examination centre, Ruislip High School is committed to ensuring that the examination management and administration processes are run effectively, efficiently, and in compliance with the published JCQ regulations and awarding body requirements. If you would like to know more details about JCQ and how it affects your child and their qualifications, please click [here](#). For Ruislip High School's policies relating to examinations please click [here](#).

Yours sincerely

Greg Hankin
Assistant headteacher
