Ruislip Revise Top 5

RUISLIP REVISE TOP 5

The most effective ways to revise

RETRIEVAL PRACTICE: QUIZ AND TEST

Rather than re-reading or highlighting class notes, **actively retrieve** the information from your memory, eg. reorganise key ideas in a diagram or mind-map; write down key information with gaps missing to fill in; create a quiz or flashcards for self-testing. **Aim:** effortful retrieval

SPACED PRACTICE: REVIEW OVER TIME

Leave time before revising: review information a few days or even weeks after you have learned it in class so your brain has to work harder to retrieve it. Some forgetting makes the information stick more. Move between different topics, **making links** between them and **transferring** information, skills and ideas between topics.

ELABORATION: EXPLAIN & DESCRIBE

Ask yourself **questions** while you study about how things work and why. Ensure you are able to **explain ideas and concepts** to others or in writing, or out loud to yourself in detail. **Link ideas to concrete examples** and explain them to others. Work in pairs to revise, combining ideas and writing joint answers to questions.

DUAL CODING: DOUBLE YOUR BANDWIDTH

Pairing **words with visuals** (dual coding) helps to double our processing ability by maximising working memory. Translating tricky content into different modes: **spoken/written alongside a visual**, also functions as a cue for our memory. Using pictures alongside words is proven to help information stick. Link images to key revision facts to aid retrieval. But keep it simple.

DELIBERATE PRACTICE

Once you have secured your core knowledge, and are confident in the methods you need to apply to each subject, the best thing to do is to put it into practice. Practise past questions or exam papers and get feedback from your teacher on how to improve. Papers are available from exam websites, google classroom or your teacher.

Revision Timetable

When it comes to revision it is best to organise yourself by creating a revision timetable. A revision timetable allows you to plan your week and makes sure all subjects are revised.

Make sure you put sessions in that allow you to relax and unwind. Try to find time to do the things that you enjoy.

Be realistic! For example: Don't plan to revise maths for 12 hours solid on a Saturday, because it won't happen and you won't benefit from it. Break the day up into manageable pieces and don't spend hours trying to do the same thing – it won't help you.

Try colour-coding your subjects so that your timetable is easy to read and you can glance at it quickly and know what you're doing.

Have your revision timetable somewhere where you will see it everyday, so it acts as a reminder of what you need to do.

Put a copy on your phone or set alarms/reminders that will help you stick to your plan.

Below is an example of a revision timetable and a blank copy for you to create your own timetable.

Example Revision Timetable

Day	8:30 – 10:00	10:00 – 11:00	11:00 – 12:00	12:00 – 1:00	1:00 – 3:00	3:00 – 4:00	4:00 – 5:00	5:00 – 6:00	6:00 – 7:00	7:00 – 8:00	8:00 – 9:00	9:00 – 10:00

Science

Science

PPE Dec 2024:

Combined science (FULL REVISION LIST [HERE](#)) 11SC1/11SC2/11SC3/11Z1/11Z2 & 11Z3

- Combined science Chemistry paper 1, 1 hour 15 minutes
- Combined science Physics paper 1, 1 hour 15 minutes

(NO Biology PPE at this time)

Separate sciences (FULL REVISION LIST [HERE](#)) 11TS & 11ZTS

- Chemistry paper 1, 1 hour 45 minutes
- Physics paper 1, 1 hour 45 minutes

Science Revision Resources:	20 minute tasks	Essay questions / Extended writing questions (45 minutes)
Please use the full revision list here for combined and triple .	<p>Use one of the sources as suggested on the full revision list (for example bbc bitesize, seneca):</p> <ul style="list-style-type: none"> • make a mindmap on the topic • make flashcards for the topic • test yourself using the kerboodle knowledge blank knowledge organisers (once you have complete it then check then full knowledge organiser) • self assess where you are using the kerboodle student checklist (what area do you need to revise next?) • get a parent/guardian/sibling/friend to test you on the keywords and definitions for the topic (use the knowledge organiser or keyword list to help them) 	<ul style="list-style-type: none"> • Past paper questions- from AQA website under the heading 'assessment' (combined science OR Biology, Chemistry and Physics) . Once you have complete one make sure you self assess it using the markscheme • Write out the method for every required practical including independent, dependent, control variables, risk assessment and a step by step method. You can find videos of each of the required practicals at Malmesbury Science on youtube

Art & Design – Fine Art & Textiles

Art & Design - Fine Art & Textiles

PPE November 6th and 7th 2024:

- 2 day practical exam in the Art rooms
- PPE grade will also take into account the preparatory sketchbook work completed to date

Art and Designs tasks:

The tasks below should be completed in order and using the support provided:

- Complete any missing pages using the checklist provided- time should not be spend on backgrounds and title but practical work with short and effective annotations
- Complete any improvements given to your by your teacher on your personalised feedback sheet - this can be found on the KS4 Art, Craft and Design google drive
- Complete any additional work outlined at the bottom of the checklist provided- if you would like extra support with this, please speak to your teacher

Support is available for all students after school on a Tuesday, Wednesday and Thursday from 3-4pm in C110 or C109

Supportive resources:

- ★ [Checklist](#)
- ★ [Annotations help sheet 1](#)
- ★ [Analysis helpsheet](#)

Computer Science

Computer Science

PPE December 2024:

Computer systems -Component 1 (90 mins, 80 marks)

Computational thinking, algorithms and programming- Component 2 (90 mins 80 marks)

Computer Science Revision Resources:	20 minute tasks	Essay questions / Extended writing questions (45 minutes)
<ul style="list-style-type: none"> Your notes / Google Classroom tasks set by teachers Smart Revise Knowledge organisers . These are also available on GC. After school revision sessions run by teachers BBC Bitesize-OCR GCSE Craig and Dave Videos <p>Useful revision activities</p> <ul style="list-style-type: none"> Create mind maps of each concept, write a paragraph, make a flash card, one page summary, attempt quizzes both for high tariff questions and MCQ on Smart revise. Check your PLCs to create a revision timetable. Start revising topics you are less confident in first. 	<ul style="list-style-type: none"> Complete at least one of your "6 A DAY" exam questions. Click here <p>Use Pseudocode guide to help you create the algorithm.</p> <ul style="list-style-type: none"> You can watch the following videos of Craig and Dave. You can start with the topics you struggle with first before moving on to the ones that you find most easy. Click here <p>Component 1 :</p> <ol style="list-style-type: none"> 1.1 Systems Architecture 1.2 Memory and storage 1.3 Computers networks, connections and protocols 1.4 Network security 1.5 Systems software 1.6 Ethical, legal, cultural and environmental impacts of digital technology <p>Component 2 :</p> <ol style="list-style-type: none"> 2.1 Algorithms 2.2 Programming fundamentals 2.4 Boolean logic 2.5 Programming languages and Integrated Development Environments <ul style="list-style-type: none"> Revise and memorise all the keywords and their definitions from your books . 	<ol style="list-style-type: none"> 1) The machine has a small keypad with keys 0 to 9, OK and CANCEL. It also has a small LCD screen, which can display a short message. <p>To get a drink, users select an item number between 1 and 20 with the keypad and confirm their choice by pressing OK. If they make a mistake they can press the CANCEL button and start again. If the selection is valid and the drink is available it dispenses the drink. The display screen is used to show suitable short messages throughout the process.</p> <p>Write an algorithm for the process described above.</p> <p>The quality of written communication will be assessed in your answer. [6]</p> <ol style="list-style-type: none"> 2) Answer past paper questions from OCR Website 3) Use the PMT website to practise past paper questions..Use OCR questions.

Drama

Drama 1 hour - Component 1: Written Exam: Section A (Multiple Choice) Section B (Things I know to be true) 4 mark Question, 8 mark Question, 12 mark Question, 20 mark Question		
Drama Revision Resources:	20 minute tasks	Essay questions / Extended writing questions (45 minutes)
<ul style="list-style-type: none"> Your notes / Google classroom tasks set by teachers Revision booklets provided by teachers GCSE Bitesize AQA GCSE Revision - Youtube Things I know To Be True (video of the play) on Google Classroom National Theatre series on youtube <p>Useful revision activities</p> <ul style="list-style-type: none"> Rehearse lines with a study buddy Create flashcards to use for key terminology Re-read Blood Brothers Watch Blood Brothers on YouTube 	<ul style="list-style-type: none"> Make a knowledge organiser for either Things I Know To Be True or your Section C play (brief summary of plot, character, themes & context) Make a knowledge organiser for Component 1 Exam Questions (Brief summary of all the questions, how many marks, how long to spend on them, what skills are needed) Make up your own essay questions for 'Blood Brothers' and your Section C play Practical - Learn lines for any section you are still unsure of. Read, cover and repeat. Small sections at a time and then build on another section. Practical - Practise saying your lines out loud. Consider your vocal choices, then repeat checking all your physical choices. Film yourself performing and watch it back. Choose an extract from Things I know to be true (4 or 8 marks), design a question and answer it. Create mini plans and introductions for essay questions <p>Section A: Theatre Roles and Terminology. Multiple choice Use your revision guide to create a list of key words and their definitions for the following areas: Roles of stage manager, lighting designer, director etc.... Types of stage design – what are the advantages of performing in the round? On Pros arch stage? Stage positioning – US, DS, SL SR etc</p> <p>Ask someone to test you on the definitions/key words. Pick 10 and see if you can remember all of them.</p>	<p>Component 1: Section B</p> <ul style="list-style-type: none"> Choose two sections from Things I know to be true - annotate – what you know about the characters in the scene, what their intentions are and how you as an ACTOR would play these roles Watch & then summarise the plot of: Watch the following production of Things I know to be true and make notes on the following: Set/Costume/Acting Style/Character <i>How could you adapt this to help you with your own answers in the exam?</i> <p>• Complete practice questions for Section B</p> <ul style="list-style-type: none"> Read through your answers to the GCSE questions you've completed. Can you see any changes you could make? Use the mark schemes to help you <p>Complete timed attempts at Section C - you can easily create your own question or use previous examples. The important thing is remembering to ensure you complete the essay in the time provided. Check your notes on Stranger Things or Hattie and James.</p> <p>Film yourself rehearsing for Component 3, and then complete a paragraph of Comp 1 Section C answer on your own performance. This will help with both!</p>

Geography

Geography
Pre-public exams December 2024: Paper 1 (full) - 1 hour 30 minutes exam. Paper 2 Section A and half of Section B only - 45 minutes exam (the full Paper 2 in summer 2024 will be 1 hour 30 minutes). Paper 3 will not be included in the December 2024 pre-public exams.

Geography Revision Resources:	20 minute tasks	Essay questions / Extended writing questions (45 minutes)
<p>The most appropriate revision resources are the Paper 1 Revision Megabook and the Paper 2 Revision Megabook.</p> <p>These documents cover our selected topics and case studies.</p> <p>Revision Megabooks are available as PDF documents on students' Google Classroom.</p> <p>The Paper 1 Revision Megabook and Paper 2 Revision Megabook have also been printed for all students.</p> <p>There are revision quizzes for all topics on Google Classroom.</p> <p>There are several past exam papers on Google Classroom.</p> <p>Published revision guides and websites are also useful (AQA syllabus) but they will have some different case studies from what the Ruislip High students have learnt.</p> <p>Useful revision activities</p>	<p><u>Paper 1: Living with the Physical Environment</u> Section A: The Challenge of Natural Hazards. Section B: The Living World. Section C: Physical Landscapes in the UK (rivers and coasts).</p> <p>Make a revision card, revision poster or revision notes for the 10 sections of each topic PLC (personal learning checklist).</p> <p>Do the revision quizzes for each topic on Google Classroom.</p> <p><u>Paper 2: Challenges in the Human Environment</u> Section A: Urban Issues and Challenges. Section B: Changing Economic World (revise PLC Sections 1-4 only for the December 2024 pre-public exam). Section C: The Challenge of Resource Management (not included in the December 2024 pre-public exam).</p> <p>Make a revision card, revision poster or revision notes for the 10 sections of the Section A PLC (personal learning checklist), and the Section B PLC 1-4.</p> <p>Do the revision quizzes for Section A and Section B (up to question D30).</p> <p><u>Paper 3: Geographical Applications</u> Paper 3 will not be included in the December 2024 pre-public exams.</p>	<p><u>Paper 1:</u> Do several past paper exam questions from the Paper 1 Revision Megabook. Do several past paper exam questions from the Paper 1 exam papers on Google Classroom.</p> <p><u>Paper 2:</u> Do several past paper exam questions from the Paper 2 Revision Megabook Do several past paper exam questions from the Paper 2 exam papers on Google Classroom. See details, left, regarding which parts of Paper 2 will be examined in December 2024.</p>

Revision quizzes for all topics
