Dear Parents / Guardians

The school has been given the opportunity to take part in a project that will run jointly between schools and the Metropolitan Police Service. This project is known as Operation Encompass.

Operation Encompass is the notification to schools that a child (under 18) has been exposed to, or involved in, any domestic incident. This will ordinarily be completed by the start of the next school day.

Operation Encompass will ensure that a specially trained member of the safeguarding team is informed. The safeguarding team can then use the information that has been shared, in confidence, to ensure the wellbeing of the child.

The school may be able to make provisions or adjustments to assist the child and their family.

We are keen to offer the best support possible to all our students and we believe this will be extremely beneficial for all those involved.

Kind regards

Marie Coltman
